

The Alex Fraser Group businesses are engaged in Construction and Demolition Materials Recycling, and Asphalt Production and Pavement.

Our Goal

The Alex Fraser Group aims to:

- Provide and maintain a safe and healthy workplace for all employees, contractors and visitors;
- Comply with relevant Occupational Health and Safety (OHS) legislation and applicable standards;
- Provide written procedures, information, training, instruction and supervision to enable our workers to perform work in a manner that is safe and minimises the risk of injury and illness;
- Develop and implement effective strategies to minimise the risk of injury and illness to employees, contractors and visitors through the identification, assessment and control of workplace risks; and
- Provide and maintain adequate facilities, safe equipment and safe methods of work for our employees, contractors and visitors.

Making it happen

We achieve our OHS goals by:

- Setting, monitoring and communicating meaningful OHS objectives and targets to employees;
- Consulting with employees and contractors about OHS matters that affect them;
- Adopting a co-operative approach between managers, employees and contractors in addressing OHS matters;
- Proactively engaging our workforce in the identification, assessment and control of workplace risks;
- Regularly reviewing OHS documents to ensure they remain relevant to the Alex Fraser Group and assist in improving OHS performance; and
- Making the OHS Policy available to all interested parties such as employees, contractors, suppliers, visitors and members of the public.

Our Commitment

We are all responsible for Alex Fraser's OHS performance. In particular:

- No business objective or activity is more important than the health and safety of our employees, contractors and visitors;
- Individually, we are all accountable and empowered to ensure our actions protect the health and safety of ourselves and others;
- Managers and Supervisors provide leadership, adequate resources and ensure procedures are understood by employees, contractors and visitors and are followed; and
- We must all be prepared to stop any job, at any stage, if it cannot be done safely.

We expect that all employees, contractors and visitors comply with the requirements of our OHS Policy, at all times.
